Brookstone Schools provides a wonderful environment not only for children but also for the staff and faculty who make Brookstone what it is! Here's what third grade teacher Quinn Wells had to say about working with us:

*' What I love about Brookstone is that the Lord is at the center of all we do. Everything is covered in prayer. It is a blessing to work at a school where Christ is the center, a school where students are loved no matter what.*

Lauren Hogan

Currently, Brookstone Schools is looking for an upper elementary school teacher and a social studies/science teacher for middle school. Please send all resumes to [Principal Debi Preston](#).

## About

Brookstone Schools offers an opportunity for parents who want a choice in how they educate their children but are unable to afford a private Christian education. Our students learn not only facts, but how to use this knowledge in all aspects of their lives. They are learning to be polite, mature, disciplined scholars, and leaders who live in accordance with Judeo-Christian values.
